Honorable Leverett Saltonstall
United States Senate
Washington, D. C. 20510

Dear Senator Saltonstall:

I was most interested in your responses to questions about our organization during your recent appearance on the "Face the Nation" program.

Statements of this sort by responsible and informed members of the Congress are, in my opinion, the most effective means of counteracting the reckless charges frequently made about this Agency and an alleged lack of Congressional supervision over it.

Your support in this instance and in others is most gratifying to me and to those people in our organization whose labors are seldom understood or appreciated.

Sincerely,

SIGNED

W. F. Raborn
Director
